

- Up to 22 ppm print speed
- First page out in less than 10 seconds
- Ultra-compact and stylish design
- Up to 1200 x 600 dpi effective resolution
- 150 sheets input, 100 sheets output
- 5,000 pages per month duty cycle
- TonerSave™ extends cartridge life up to 40%
- USB 1.1 connectivity, compatible with USB 2.0
- Compatible with Windows, Macintosh, Linux

It's the fastest printer in its class, but it never breaks a sweat. The Samsung ML-2010 monochrome laser printer packs fast, professional-quality printing at up to 22 ppm into a compact footprint. Suitable for any home or small office, it provides top-rated performance, easy-to-use features and a stunning design. Even at full speed, documents feature sharp text and graphics with 1200 x 600 resolution. TonerSave mode increases toner yield by up to 40% with the press of a button. Just connect the ML-2010 to your computer's USB port, install the software with four clicks of the mouse and you're ready to go.
